## April

Did you know that Golfer's Day or (Golf Day) is celebrated this month? On April 10, 1916, the Professional Golf Association (PGA) was founded and the first professional golf tournament was held. Because of this, April 10th has been unofficially recognized as "Golfer's Day".

Some avid golfers might suggest any and every day is Golfer's Day but on this day, it's official. The only question is, does this day honor the golfer, the sport, or the weather? Well, it's a little of each. Golfer's Day is an opportunity to be thankful that someone invented this addicting, yet relaxing hobby.

Also referred to as "Golf Day", there is only one proper way to enjoy this day. And, that's out on the golf course.

Ironic that Golf Day and Easter are in the same month as Golf is often referred to as the adult version of an Easter egg hunt. Have you visited the Golf Shop yet to stock up on balls for the season?

If you're not a golfer, there are still plenty of things going on at Geneva this month. Some old favorites are back and we are also trying out some new things so make sure to read through the Newsletter and see what's happening this month.

As always, thank you for choosing Geneva and we look forward to seeing you this month!

I need to follow-up to a March newsletter comment. 1. My optimism for Cyclone basketball was well-placed, congratulations on a great run. 2. Hawkeye Basketball is still Hawkeye Basketball.

A huge thank you to the group that spent 4 hours of Saturday, March 19 cleaning up the golf course so that mowers could safely operate. Also, part of that group did a fantastic job cleaning up the embankment that runs between the driveway and the cart path to #13 Tee. The cleaned up area significantly improves the curb appeal along Bidwell as you enter Geneva. Thanks also to Chad and his staff for guiding the volunteer crew through the needed activities.

Many of you enjoyed the Muscatine Charities Trivia night on March 19, as well. It was great collaboration between the MCI Board and Geneva to jump start MCI after the COVID hiatus. It was also fun to host the spring raffle for MCI. Watch for the full-fledged MCI golf outing this summer as well, a great way to support MCI and a whole lot of fun.

The financial results through February were strong and based on member usage and club activity, it appears our March results are poised to again exceed target.

As we think about April, make sure you include Geneva in your seasonal plans. Both the Egg Hunt and the Brunch will be great opportunities for families to get to Geneva, have fun and enjoy the company of other members. Please watch for more announcements regarding a new enhancement to Geneva membership and our ability to extend the value of membership outside of Muscatine.

Your feedback is welcomed by the board. We value the opportunity to understand how we can make Geneva better.

—Mike

Welcome to Spring,

The golf course opened on March 23rd, but Mother Nature has not cooperated with us. March was a very busy month for Geneva, and as we look ahead, April has some fun events for you to attend. Geneva's first card night is Saturday night, April 9th! We will play poker in the West Lounge for the first 24 players to sign up, and we will play Euchre in the East Extended. You can pick your partner if you'd like! Appetizers will be included with your entry fee.

The Kids Easter Egg Hunt / Breakfast will be on Saturday, April 16<sup>th</sup>. Geneva Easter Brunch is Easter Sunday, April 17<sup>th</sup>. The MHS Girls golf season will also get underway this month.

Representatives from ClubCorp will be here on April 26<sup>th</sup> @ 6:00 pm to talk about our new exciting partnership. Please plan on attending to hear about this great member benefit!

The Geneva committees have met to plan a very active schedule of activities for you, our members, to enjoy. Please make sure you use the RSVP portal to sign up as these events get scheduled. Member registration is vital to the success of these events.

As we continue to ramp up to spring/summer, you will see more new faces around the club. Please reach out and make them feel welcome, from our new Geneva members to our new Geneva staff.

We look forward to warmer weather and the opportunity to see you more!

—Steve

# From the Course Superintendent

I believe one of the best ways to have a successful golf course is to have open communication with the membership. My job as superintendent of the grounds is to provide information to the membership relating to the playing surface of the course and how that impacts playability of the course. I am here to educate, advise, communicate, listen, and interact with the membership in a way that has a positive impact on the golf course. With that in mind I want to provide the membership a detailed schedule of our daily maintenance practices for the season. Please keep in mind this schedule can vary due to weather, employee availability, tournaments, and seasonal conditions.

I want to thank those members that came out to the membership workday. I really appreciate the help and support. As always if you have any questions or concerns, please feel free to contact me at [cshafer@genevacc.com](mailto:cshafer@genevacc.com)

It's April already?! Where does the time go?

This month will bring a few of our favorite events along with it. We are excited to host our Kid's Easter Party on Saturday, April 16<sup>th</sup>, which will be jam packed with loads of excitement for the kids of Geneva! Games, crafts, and food will be from 9:00AM - 11:00AM with the easter egg hunt to follow. Easter Brunch will be held on Sunday, April 17<sup>th</sup>. Reservation times begin at 10:00AM and the last seating is at 12:30PM. We already have a few tables on the books, so call or email the office today with your reservation for both of these fun events!

April will also bring a Card Night to Geneva on Saturday, April 9<sup>th</sup>. We will have a Poker Tournament in the West Lounge. A \$60.00 fee will cover your buy-in and will include a few appetizers. A Euchre Tournament will be in the East extended lounge area where a \$40.00 buy-in will cover your 2 person team's entry fee and a few appetizers. Reservations are required for our Card Night so we can prepare enough food and have enough tables for everyone who wants to participate.

With the golf course open for play, we will start our lunch service downstairs for the season on Tuesday, April 5<sup>th</sup>.

We had a wonderful March thanks to our members and our Muscatine community. We are excited that after a few years of Covid, we are back into our events at a full force rate. We had multiple successful caterings and events. We hosted our (hopefully) first of many trivia nights. Our management team chose to partner with Muscatine Charities, which has raised over 3 million dollars for our community since 1999. We had 120 people attend and were able to raise almost \$3,000 for MCI. A big "thank you" to The Greater Muscatine Chamber of Commerce and Industry for hosting their annual dinner at Geneva this March, to MCI who held their annual Reverse Raffle at The Club, CBI, Musco and Bayer who brought in their employees for business dinners, and to Allsteel and Musco who partnered with Geneva for a few offsite caterings. We are so fortunate to get to be a part of our community in ways like this. It is such a rewarding feeling to play a role in these events.

Our Geneva Family To Go meals have been a hit with the membership. We had 21 meals our first week – WOW! Thank you for your continued support with both your to go orders and your meals dining in. We cannot exist without YOU!
