Issue 22

March 2022

March

March always brings with it a noticeable anticipation in the air. By now most of us are ready to put the cold, soggy winter weather behind us and welcome the warmth of beautiful spring days. Activities will reemerge from their winter slumber and we need to build our team back up to be able to provide you with our best service possible. We are looking for dependable, friendly, outgoing people for positions on the line in the kitchen, as Servers in our Dining Room and Grille, Groundskeepers on the course, Bag Staff in the Pro Shop or as Lifeguards and Snack Shop Attendants at the Pool. If you know someone looking, send them into the office to fill out an application.

March is here, it is a favorite month of mine for a handful of reasons:

1. March Mat(ness) [if you know, you know]
2. March Madness [optimistic for Cyclones and Hawkeyes and maybe the Panthers get hot]
3. Spring Training [maybe not this year]
4. Golf courses opening
5. St. Patrick's Day

Whether we share any of those reasons or not, March is here and we will be teased by Spring. Both board and the staff encourage you to utilize Geneva for spring meetings, sports viewing, celebrations and catching up with friends. We will continue to provide good food, great service and a relaxing place to be.

While we are just two months into the year, member usage rates have been strong and continuing the trend from 2021. We continue to seek opportunities to enhance membership value.

The board does have one ask of you, the membership. We are seeking member photos that can be used and featured in different ways around the club. We will accept any Geneva related photo, whether it was taken 10 weeks ago, 10 years ago, 30 years ago or more. Also if you have any historic Geneva swag, gear or garments that you are willing to loan to Geneva we are interested as well. Look for more information in a coming email.

Your feedback is welcomed by the board. We value the opportunity to understand how we can make Geneva better. Enjoy March and I hope I see you at Geneva.

Happy March!

It is exciting to see the tail-end of winter behind us and the beginning of spring in front of us!

I want to take a moment and fill you in on how the club is doing so far. Staff continues to be an issue. We are down 12-16 employees across all departments at the club. If you know of anyone looking for part-time work, we have openings in the clubhouse, golf course, golf shop, or swimming pool. Please encourage them to come out and apply.

The club has had an excellent start to the year. January and February were both good months. March will start well as we have a couple of caterings followed by several social events. We appreciate any opportunity to host your event or cater a party or event for you. Please give Molli a call, and she will be happy to help organize your event.

The Course, Golf, and Social committees have met to plan for the 2022 year. If you would like to volunteer your time to either one of these committees, just let me know, and we will put you on the committee of your choice.

March brings us a couple of social events for you. St. Patrick's Day, Geneva Trivia Night, Muscatine Chamber Annual Dinner, and the MCI Spring Raffle.

March 17th - St. Patrick's Day – come out and enjoy drink and food specials

March 17th – NCAA Basketball Tournament Begins (Geneva Pool \$20)

March 19th – Geneva Trivia Night – Table of 8 - 6:00 pm start

March 24th – Muscatine Chamber Annual Dinner

March 25th – MCI Spring Raffle – 6:00 pm

As always, we do appreciate your feedback.

We look forward to warmer weather and the opportunity to see you more!

Wow where does the time go? Can you believe its March already! Before we know it, we will be out golfing again. Who is ready for spring?

We have been extremely busy this winter, working on all the equipment and making sure it is ready to go for the season. It has been a lengthy process that requires many hours of demanding work and patience. It has been especially hard this season because of the supply shortage. You start working on a piece of equipment and then you wait for the parts to arrive, so you start on another piece of equipment to keep the process moving forward. It can become a juggling act at times.

I had the opportunity to attend the GCSAA golf industry show in San Diego, California. What a wonderful experience it was to network with my peers in the industry and attend continuing education classes as it relates to the golf industry. I learned many new things that will benefit Geneva this coming year. Being a class A member of the GCSAA is not only a benefit to myself but is also a benefit to Geneva. It allows me to stay current on latest trends in the industry. There is access to webinars and training on many different subjects within the golf industry and so much more. I support lifelong learning and staying current in the industry, which will help Geneva for many years to come.

I look forward to seeing all of you on the course this coming spring. Thanks for all the support. Should you ever have any questions or concerns please contact me at cshafer@genevacc.com.

Enjoying “Spring Break” in Muscatine this year? At least the latter part? Great news – we have a fun way to spend your evening on Saturday, March 19: **Trivia Night!**

A table of 8 costs \$200. This price includes competing against other tables to test your knowledge, prizes and appetizers. Food and drinks will follow Geneva’s normal cost structure.

We are happy to be partnering with Muscatine Charities (MCI) on the benefit – table proceeds will go to MCI; I know the MCI Board really appreciates the support of Geneva’s membership. If you are looking to join others at a table, call in and we will make that work as well. I hope to see you there!
