From the General Manager

Wow, can you believe it? The Fall is in the air!

How about those fireworks for Family Day? Another great show once again. Thank you to everyone that had a hand in organizing a great day at your club! The Geneva Staff created a fantastic day for members, families, and guests. Thank you all for making this an excellent day for our members.

September will be a busy month at the club. We have a wedding, a class reunion, MHS Homecoming activities, Music on the Patio, and a few popular golf events. The Industry Cup and City of Hope, sponsored by HNI and one of our new favorite events, The Acorn Cup. We are also having **Glo-Ball for the entire membership** to enjoy. Another event to put on your calendar is the **Geneva Family Fall Festival. The date is October 15th. This event will include a hayrack ride, campfires, smores, and more!**

I want to thank the entire pool staff for all your work this year! We look forward to 2023.

Geneva Golf is doing well. Member support, outside events, and activities are providing us with a positive budget thru the first seven months of the year. We appreciate your support of the club. Let's finish the last five months as strong as the first seven!

Lastly, we are still working hard to get each member to call in their reservations. This is a crucial part of your dining experience. Reservations will allow the staff to adequately prepare for your night at the club. **We appreciate your help in making reservations.**

We look forward to seeing you around the club.

—Steve

From the Board President

Mike Eversmeyer

School has started, there is color changing in the trees and summer is turning to fall. We have had a successful summer at Geneva and we are thankful for our members who made it happen. As the nighttime temperatures fall, the golf course will continue to recover from the heat stress and the efforts Chad and his team have made will continue to pay dividends.

There was much activity going on in August and even more happening in September. There are plenty of opportunities to be involved. We had a blast with Family Fun Day and we welcomed our friends who staff and fundraise for the Domestic Violence Shelter back with a very successful inaugural trivia night.

The financial outlook for Geneva is strong for the rest of 2022 as we continue to pace ahead of our targeted results. Management and staff have embraced the team approach and the results are proving to be successful.

Your feedback is important to the Board and we value what you share. We will continue to do all we can to enhance the

member experience for you.

Can you believe it? We are in September! What a crazy year so far but we still have some fun left! As we look at the calendar, we have six events left. The highlight will be The Seventh Annual Industry Cup, City of Hope, One Person Scramble, Acorn Cup, Fall Stag, and Turkey Shoot. Glo-Ball Golf is the 9th!

A big thank you to Chad and his staff for a great job on the course this year. Geneva is a challenging golf course to maintain. From the push-up, black dirt, and clay greens, with no drainage in most of them, to the poa annua (weed) filled, “Heinz 57 fairways”, as Chad would say, takes a lot of effort to keep the golf course in playing condition. Thank you to you and your staff for all your efforts this year.

Congratulations to the 18 teams that competed in the Two Day / Two Member event. Bryan Lemkau & Drew Westberg outlasted defending champions Sam Herrmann & Matt Randleman to bring home the Championship.

1st Flight Qualifiers

Bryan Lemkau – Drew Westberg
Sam Herrmann - Matt Randleman

2nd Flight Qualifiers

Andy Phelan – Brad Pankow
Carlin Lawhead – Jon Nietzel

3rd Flight Qualifiers

Rusty Clester – Jon Sackfield
Matt Busch - Nick Keldgord

Congratulations to our Senior Club Champions!

Senior Champion – Scott Schultz
Super Senior Champion – Gary Slight
Ladies Senior Champion – Mary Zeimet

We look forward to the fall tournament schedule and full membership participation.

Couples Golf

The 2022 golf season is well underway! Mary and I would like to personally invite you to join us in taking part in the Couple's Golf events scheduled this summer. Couple's Golf is designed for fun and socialization. Therefore, the more, the merrier! We are making a few minor changes to make your participation easier and more enjoyable with this premise in mind.

We have added a "social hour" prior to Golf this season. Part of the participation fee will be used to provide appetizers in the bar, starting an hour before the scheduled tee time. Whether you need to 'carbo load' or enjoy some 'aiming fluid' prior to the round, it should be a fun way to start the night. We have moved the start time on Fridays to 5:45 and added a couple of Saturday afternoon events. The schedule for the remainder of the season is as follows:

Saturday, Sept 3 (3:00 start) (Guests welcome)

Friday, Sept 9 GloBall 8 pm

In addition, a part of each event fee is used to provide appetizers at the "social hour," and a portion of the cost will be used to purchase a "large raffle item" to be given away at the end of the season. Thanks for taking the time to read this, and we look forward to seeing you on the course!

Greetings, Geneva Members!

August sure did fly by! The further we get into this year, the faster each month goes for me! Geneva has been keeping our crew very busy. Thank you to all who came out for Family Fun Day – we had a blast and hope that you did as well. As always, any and all feedback is welcome. Please let us know what you thought about the day!

While 2022 has been booked all year, we are starting to get into our season of Class Reunions, Fall Weddings, and Holiday parties. Please be on the lookout for limited space or closures for Member Dining. We do try to keep the club open as much as possible, but for some events, it just is not possible. We appreciate your understanding during our busy times here at Geneva. You can find this information in our newsletter, via emails, or by calling the club! **This month, we currently have no evening dining on Saturday, September 10th for a wedding, and the club will be closed for standard membership usage on Thursday, September 22nd for City of Hope's annual golf outing & fundraiser.** If you have any questions, do not hesitate to reach out.

Come out this month for **Live Music** on the East Patio! We are very excited to have Phyllis and One Shark play for us on Friday, September 9th! If you plan on attending, please let us know. Glo-Ball is also on Friday, September 9th! Make it an evening of dinner, music, and an outstanding time on the golf course. Call the Golf Shop to sign up to play! Also, mark your calendars for Geneva's annual Industry Cup on September 15th. We hope to see you and your colleagues out for a fun day at The Club!

This month is keeping us just as busy as our previous months with outside business. Thank you to all of the business who booked with Geneva in August and who have booked for September! We are keeping busy with Kent, GPC, Phelps, CBI, Professional Developers of Iowa, Muscatine High School, Lee Agency, Martin & Whitacre, and many more! From celebrations and business dinners in house, to lunch drop offs and dinner caterings, Geneva can take care of all your business entertainment needs. Please contact us if you would like to set something up!

Make sure that you enjoy these last few weeks of the summer weather. Soon we will be putting our summer furniture away and trading it for snow shovels. Come enjoy one last drink on the patio before it is too late!

We hope to see you, soon!

—Molli

CASUAL LADIES' GOLF THURSDAYS

Ladies...Grab your friends, play some golf, drink some drinks and stay for food after.

No rules. No expectations. No pressure.

- Reserve your tee time with your group anytime after 3pm.
- You play how you want to play—play your own ball, keep score, don't keep score, do a scramble with another group, stop after 9 holes—the only requirement is to have fun!
- After golf, stick around for drinks, apps, dinner with your Geneva friends.
- Looking for a group to play with—let the pro shop know as there will likely be some 2- and 3-somes they can introduce you to.
